No. 25

HON. ROBERT M. SWEITZER

Continues to Lead in the Straw Ballot for MAYOR of Chicago, and Hon. Dennis J. Egan, Chief Bailiff of the Municipal Court and Chairman of the Organization Committee of the Democratic Party of this city and county; Feels Dead Sure; that Mr. Sweitzer will become the next Chief Executive, of the windy city.

THE CHICAGO TRIBUNE WHICH CLAIMS TO BE THE LEADING REPUBLICAN NEWSPAPER IN THIS SECTION OF THE COUNTRY. WHEELS INTO LINE FOR HON. MACLAY HOYNE FOR MAYOR OF CHICAGO.

MANY PROMINENT REPUBLICANS AND HIGH CLASS BUSINESS MEN ARE FAST CLIMBING INTO THE BAND WAGON OF HON. ROBERT M. SWEITZER FOR MAYOR OF CHICAGO.

The big Democratic and Republican politicians are fast lining up for the final drive or fight to elect the next Mayor of Chicago and between now and election day, Tuesday April 1, there may be a lot of knocking down and dragging out at some of the meetings to be held in the interest of the various candidates for Mayor of their tin-horn shouters, reformers or followers feel that that is the only way to show or display their importance, many of the owners of the big daily newspapers are beginning to froth and foam at the mouth for their respective candidates, among them being the Chicago Tribune which claims to be the leading Republican newspaper in this section of the country; it has concluded to wheel in behind Hon. MacLay Hoyne, State's Attorney of Cook county for Mayor of Chicago, for the "Old Trib" which always wants to do all of the talking of all of the politicians belonging to both of the two great political parties, is finally convinced that Hon. Col. Hoyne is more capable

in every way than his opponents to become the head boss of this city.

The writer being rather near-sighted is unable to see bad or good boy Col. Hoyne, as the Tribune calls him as mayor of this city, for if it so happened that he should move into the City Hall with his hungry crowd behind him the chances are that at the end of the next four years nothing would be left of the famous City Hall excepting its four side-walls.

The fight in our humble opinion for Mayor of Chicago will be between Hon. William Hale Thompson and Hon. Robert M. Sweitzer who according to the latest straw-ballot continues to lead all of his rivals and every day many prominent Republicans and high class business men are fast climbing into the band wagon and knowing Mr. Sweitzer as we do we would rather take our chances with him as Mayor of Chicago, than with any of the other candidates who are in the field at the present time.

Fine Display of Art Needle Work by the Art and Craft Section of the City Federation of Colored Women's Clubs.

The Art and Craft Department of the City Federation made a splendid showing of their beautiful hand-work at the meeting last Monday. The Unity Club parlor is an ideal place for such a display. Altho Mrs. Nora E. Lee has only been the chairman of this department since last September, she has the work so well organized with the few women that have been sent to her, that no one can doubt that from this time on you will see just how much good work that our women can do. Among those who put their work on exhibition were strangers who had recently sent their names in thru the chairman to the phyllis wealthy club to be come members just to belong to his department. It is interesting work as well as profitable. These ladies expect to

form an exchange where our women may buy or sell any thing that human hands can make and they expect to make it so well that no person will refuse to patronize them. They have teachers who will give private or class lessons at any time for knitting, fine crochet laces, yokes, breaded hand bags and embroidery work Mrs. J. Vendorplyak, Mrs. T. A. Butler and Mrs. Kane can be reached thru this department. China painting and Artistic silk lamp shade making, Mrs. Margaret Moore, Mrs. E. Hogg, Mrs. Patterson, Mrs. Lee. Other clubs have not as yet sent in their names but any information on this line may be had by calling on the chairman. She will see that you get an instruction in any of those branches that will please and give service. Many pupils were enrolled Monday. Mrs. Kane brought a fine display of her work and showed the pieces of lace she is making for one of our largest downtown stores. Her work is wonderful

and is much sought in the stores. Among her exhibits were luncheon sets, hand embroidered and lace-edged lace yokes so fine they looked like spider webs, the only way to know was to have been their to see for yourself. They will never have a prettier exhibit tho they will have a larger one in June at Quinn Chapel, for every club will fall in line now and get busy. Those who contributed to this exhibit are as follows: Cornell Charity Club, Mrs. Woodfork, silk and lace hand bag, hand embroidered handkerchief and crochet yoke; Imperial Art Club, Mrs. Bean embroidered center piece, crochet collar and cap; Mrs. Etta Floyd, hand embroidered apron, two embroidered towels, one lace yoke; Giles Charity Club, Mrs. Thomas Bell, 2 yoke hand made lace, 1 dresser scarf with fillet lace ends, hand crochet; Phyllis Wheatly Club, Mrs. Kane Irish crochet drolies, embroidered and crochet luncheon sets, night dress yokes, hand

crochet laces; Mrs. Lee, embroidered centre pieces, dresses, scarf and silk lamp shade something decidedly new and novel she received several orders for the same and can only fill those in her leisure moments. She has been with the Silk Shade and Novelty Co. at 10 S. Wabash Ave., eight months and has made fifty different designs of shades during the Xmas season. With such a grand start as this what may we not expect in the near future from this department there are 65 clubs let each send her part to help this work along for the chairman of this department looks for real live workers. They expect to assist the other departments to raise money for all the work of the City Federation and this woman never sleeps at her post of duty, nor knows no such word as fail. We shall watch this work with a great deal of interest, for it proves that our women are capable along all lines.
